To the best of my knowledge, I am selling a healthy puppy. It will be determined healthy by a licensed Veterinarian before leaving my home, will be up-to-date on vaccinations, and worming regiment (going by weight of puppy) will have at least the first vaccination. Most puppies will be ready to go to their new home

at the age of 8 wks. old, They can be picked up by their new family. If for any reason you can not pick up your puppy and you choose to hire a pet nanny (we do not ship puppies), whether you hire personally or you go through "Loyal Luv's", you are not purchasing your puppy sight unseen. You are hiring a pet nanny that has every right to and will refuse an unhealthy puppy, to pick up your puppy from me, in which they will be responsible for your puppy until he/she is hand delivered to you. (It is normal for puppies to get a little motion sickness or jet lag, just like us humans!) We work on socializing your puppy and paper/pad training.

I "Loyal Luv's Schnauzers" reserve the right to refuse to sell a puppy to anyone at anytime if I feel it is not in the best interest of the puppy.

By purchasing this puppy I, the buyer, have read the conditional terms of this purchase, understand them, and agree 100% to abide by them.
